March 11, 2024 - Day 5

The Kindness Project: For the next month we will be celebrating random acts of kindness! When you perform an act of kindness either in the hallways or in the classrooms, staff members will note it on a pink sticky note. There is a beautiful poster created by Ms Averback in the cafeteria where we will collect all of our pink stickies. Let us all be the change we would like to see in the world. Our actions have a ripple effect that can change other people's day for the better, so start spreading kindness and see how it makes you feel. **(Keep until March 12th)**

Senior Writing Week: Grades 9 through 11: Just a friendly reminder that Senior Writing Week commences today!
