All Staff this one's for you! Did you rush out the door this morning and forget to fill your "to go coffee cup"? Feeling sluggish in the afternoon and not sure how you'll make it to the end of 7th period? The Cozy Cup Café has got you covered. With a selection of coffee, tea or hot chocolate we've got something for everyone. All staff are welcome to stop by B111 and check out the bulletin board outside the class for the hours of operation and our menu.
