**ASSISTING STUDENTS IN THEIR LEAP
FROM HIGH SCHOOL TO THE FUTURE**

It's been twelve years since that first day in kindergarten... and at long last graduation! A milestone year that can bring mixed feelings. Our First-Year College Experience team would like to help your graduating students address lingering questions on:

- Finding direction & keeping options open
- Using the Omnivox Portal to stay informed
- Critical dates, events and timeline reminders
- What to expect at CEGEP
- College survival skills (and how they are transferable skills)
- Taking ownerships over one's education
