

Beaconsfield High School

Educational Project

BHS first opened its doors in 1958. Over the years BHS has adapted to many changes and to new demands in the field of education, while always offering its students a healthy environment with progressive teaching. We have traditionally served the communities of Beaconsfield, Baie d'Urfe, Kirkland and Pointe Claire. Students from the communities of Ste. Anne de Bellevue, Ile Perrot, Pincourt, Pierrefonds and Dorval are now increasingly part of the school population. BHS services students from sec 1 through sec 5.

Programs

BHS fits the profile of a school devoted to student success. Our school offers different academic programs which lead to a Diploma of Secondary Studies (DES).

★ **Enriched Francais Plus**

This program is designed for students whose primary language is French and are highly motivated learners who have the ability to work at an accelerated pace.

★ **Enriched**

This program is designed for students who are highly motivated and independent learners who have the ability to work at an accelerated pace.

★ **Immersion**

This program is intended for students who have followed a French Immersion elementary program or are coming from the French elementary school system in Quebec.

★ **Core**

This program is intended for students who have followed an English or bi-lingual elementary school program.

★ **In-School Alternatives**

We offer multiple in-school alternative programs which are designed to meet the specific needs of our diverse student body including: Embarkations (Sec 4-5), Core Plus (Sec 3), Literacy (Sec 2), and many other supports offered through the Resource Department.
