

Governing Board Annual Report
2016-2017
Beaconsfield High School
250 Beaurepaire Drive, Beaconsfield Qc H9W 5G7

It all started on Thursday September 22nd at the Auditorium of BHS. Four parents were nominated and elected. Every year we try and elect 4 new parents and keep 4 second year parents to maintain continuity. Meetings were scheduled on the first Tuesday of every month. We had 7 meetings between October 2016 and June 2017

Speaking on behalf of all the members of the BHS GB, we have made things happen.

We adopted strategic plans,

We reviewed, updated and adopted the BHS GB internal rules

We also received valuable information from students, teachers, staff, commissioner, administration and community rep about our High School and about our school board.

For the people that think that all we do is rubber stamp what has already been decided on, I beg to differ with that. We shared stories, emotions, accomplishments and many challenges. One common denominator stands out, no matter where we come from and who we are, this GB has worked together when needed.

It has been a great year and I am very proud to have served as Chair.

Speaking on behalf of all parents, I would like to take a moment to personally thank all the members of the board who have given their time their ideas and their feedback to make Beaconsfield high school an

even better school. And especially to all the teachers, support staff an administrative personnel thank you all for everything you are doing to our children inside the classrooms and outside.

Naji Jammal
Chair
