Administrative Changes

Hello BHS families,

As announced at last night's Council of Commissioners meeting, Marie-France Lacombe will be leaving BHS to become principal at Verdun Elementary, effective July 1st. We wish her all the best in her new role and sincerely thank her for everything she has contributed to BHS.

Furthermore, we greatly appreciate Stephanie Ceravolo stepping into the administrative role this past year and for her dedication and support during that time.

I am pleased to introduce Kathy Kovacs and Mark Smith, who will be joining the BHS administrative team starting this July. We look forward to welcoming them and working together to continue supporting our school community.

Elaine Fraser
Principal
