**Library Learning Commons:** our LLC will be closed for exams today, until 1:00 pm.

**ATTENTION TRACK AND FIELD ATHLETES...** our first official practices will start this Tuesday and Thursday after school. Please meet in front of the weight room, ready to workout. This is a **MANDATORY PRACTICE!**

**Art Club:** Calling all artists! Starting this Thursday after school, you will have an opportunity to work on personal projects and enjoy some art making! Come join us in C317 at 3:45 pm.

**Voices:** We have many important activities to plan as we prepare for green square week (to raise awareness about islamophobia), Black History Month and Multicultural week. If there are any other issues you would like to see the school address please bring your concerns and ideas to the meetings as well! Next meeting is on January 18th in room A301 (both lunches).

**Thrift Shop:** Hey BHS! Are you stockpiling a bunch of old clothes that'll never see the light of day? Why not donate them! Friday, February 10th, during junior and senior lunch, the art gallery will transform into the One Stop Thrift Shop! Donated items, such as clothing, will be sold for either 2\$, 3\$, or 5\$, with proceeds going to our Phys. Ed Department. Whatever remains will be donated to charity. Leading up to that event, feel free to deposit clothing, hand bags, books, or even games, starting tomorrow, in the bin in the main lobby. Every bit counts!

**Curling:** Congratulations on the win yesterday against Centennial. Next game is Monday, away at Glenmore.
