[How to access Summer School Registration](#)

Summer Program Centre

Macdonald High School

17 Rue Maple

Ste Anne De Bellevue, Quebec.

H9X 2E5

(514) 457-5270

Important Notice: Online Summer School classes for Secondary 1 and Secondary 2 students are only available for LBPSB students.

No late registrations will be accepted

Requirements and considerations

The LBPSB Summer School Program 2025 is offered online. Students who would like to participate in the summer program must:

- Have access to their lbpearson.ca Google account.
- Have a functional headset (preferably USB) with microphone. The combination of earphones and an integrated mic will also suffice.
- Be comfortable using an online platform to communicate with a teacher, send and receive assignments.
- Have access to an up-to-date personal computer with broadband connection capable of running the latest version of Chrome Web Browser.
- Have access to a personal device (such as a smartphone, tablet, or webcam) that can take clear pictures and upload them online.

Students may only register for a summer course with a failing grade, a minimum grade of 45% and with permission from their home school.

Secondary 1 and Secondary 2 Courses

Course Fees

English Language Arts (632-106)	\$190.00
French Second Language (634-106)	\$190.00
Mathematics (563-126)	\$190.00

Students will be allowed to register for a maximum of two courses. Courses will only be offered where numbers warrant it. Class schedules are divided into two sections, **8:30-10:20 a.m** and **10:30-12:20 p.m.** Exams/evaluations will take place online during the 2-week course.

Absences

Summer school classes are designed to maximize the amount of time available to cover as much of the necessary curriculum. It is important that students attend all classes.

After three absences, a student will automatically fail the course and will be removed from summer school. Attendance is taken daily and phone calls are made home for any students not logged on.

Course Fees

Course fees reflect program duration and number of exams. No refunds will be awarded after the 1st day of classes.

IEP

Should your child have an IEP, please email a copy (from the current year) of the document to summerschool@lbpearson.ca before their first class.

Please note, the intent of summer school is to provide students with remedial support to prepare them to successfully complete course requirements the following year.

Summer school results will not have an impact on the student's final report card mark; parents will receive a report of summer school completion that includes a pass/fail designation.

Summer Program Centre

Macdonald High School

17 Rue Maple

Ste Anne De Bellevue, Quebec.

H9X 2E5

(514) 457-5270

Important Notice: Permission to register for the Bridge Programs must be authorized by the student's home school and only available to Secondary 4 LBPSB students.

Registration will take place on July 2-3-4, 2025.

Requirements and considerations

Students enrolled in the LBPSB Summer Enrichment Program 2025 must:

- Attend all classes.
- Have access to their lbpearson.ca Google account.
- Have a functional headset (preferably USB) with microphone. The combination of earphones and an integrated mic will also suffice.
- Be comfortable using an online platform to communicate with a teacher, send and receive assignments.
- Have access to an up-to-date personal computer with broadband connection capable of running the latest version of Chrome Web Browser.
- Have access to a personal device (such as a smartphone, tablet, or webcam) that can take clear pictures and upload them online.

LBPSB Math Enrichment Summer Program 2025

Students and parents should be aware that there is not sufficient time to cover all course content during the Summer Program session. Important topics will be reviewed and taught, but it will be the student's responsibility to make sure that they are properly prepared for the evaluations. It is important that students attend all classes. Attendance is taken daily and phone calls are made home. Successful completion of the course does not guarantee placement for the subsequent school year. **This decision rests with the student's home school administration.**

Math Bridge Program

Options: Math Bridge CST to T&S OR Math Bridge CST to SN

Eligibility:

- Students must have successfully completed Sec. 4 Math CST during the school year.
- Must be a secondary 4 student at LBPSB.
- Students must have approval from their school principal.

Program & Exam Schedule:

- The Math Bridge program will run for 3 weeks - from **July 7th, through July 25th, 2025.**
- Students in either course will write the Situational Problem (C1) during class time, MEQ Reasoning (C2) exam will take place on Monday, August 4th, 2025 from 9:00 a.m to 12:00 p.m in person at Macdonald High School.

Cost:

3-week tutorial including exams = **\$300.00**
